

Rocky Gorge Animal Hospital
7515 Brooklyn Bridge Road
Laurel, MD 20707
Main: (301)776-7744
Fax: (301)776-1575

Presurgical Information

The night before surgery; NO FOOD after 10:00 PM. Restrict the amount of water (pick up water bowls overnight). If your pet needs water, please give only a few ice cubes.

The morning of surgery; DO NOT feed your pet. If your pet eats, they will not be able to have surgery on their scheduled surgery date.

If your pet is taking daily medications, please call the hospital for dosing instructions for the day of surgery.

Please visit rockygorgevet.com/pre-surgical-form to complete the required surgical paperwork online. The form will be emailed directly to us once complete, or you may print out the form and bring it with you.

1 Check in/
drop off for
surgery
between
7:30 - 8:30
AM

2 The doctor
will call if any
bloodwork or the
pre-surgical exam
is abnormal.
Otherwise surgery will
proceed as normal.

3 When your
pet is awake,
the surgery team
will call to schedule
your pet's discharge
to be between
2:30 - 8:30 PM

4 During your
scheduled
discharge time,
the discharge nurse
will review at home
care instructions
and medications.

5 When you get
home it is
important to follow
all instructions. If
you have any
questions please
call or email us.
